

15 Bus Quarterly & Yearly 1979-1992

(zones as weekly)

These are issued by CityRail for Sydney & Newcastle Buses.

From 1 June 1975 quarterly tickets of the sealed plastic card type were issued and later half yearly and yearly versions were also available. Early in 1983 the Pittwater bus periodical tickets were replaced by weekly, quarterly or yearly Sydney Bus All Routes passes usable on bus and ferry.¹ At the 1984 fare increase the Sydney Travel pass reverted to being called the Pittwater travel pass and weekly Manly ferry/bus tickets were dropped. Concessions were not available on quarterly or yearly passes. These were issued by CityRail and for Newcastle: orange, yellow and pink versions are also available.

may be completed after midnight. City Rail Zone availability is not designated by a red coloured "01".
