FARESAVER PASSENGER CARD

FARESAVER is an exciting innovation in electronic ticketing which provides the flexibility lacking on single journey tickets.

The advantages of FARESAVER are:

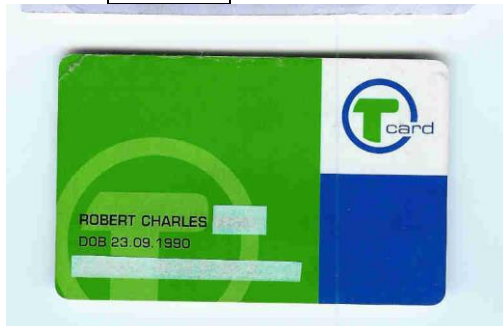

- There is no expiry date
- Avoids the hassles of paying cash to the driver for every trip
- Transferable from one person to another

FARESAVER is simple to use. There are no PIN numbers to remember and details of your card usage are available.

This brochure should answer most of the questions you are likely to have about FARESAVER, but if you require further information see your driver or contact our office.
