POSTAL INFORMATION.

The country offices are open from 9 a.m. to 6 p.m., except when mails arrive at a later hour; in which case they are open for an hour after such arrival, but not later than 8 p.m.

REGULATIONS FOR PRIVATE MAIL BAGS.

Settlers upon mail routes requiring the accommodation of a Private Bag can obtain the same from either of the Two Post Offices next to them upon payment (in advance) of a sum not exceeding Two Guineas per annum to the Postmaster who has to make up the bag, subject to the following regulations, viz:—

1. The bag must be of leather, and provided at the cost of the person requir-

ing it.

The Postmaster will close and seal it securely before dispatching it; and it must be returned in like manner, sealed with some seal the impression of

which is known by the Postmaster.

3. The bag may contain letters for all persons who give written authorities to the Postmaster to enclose them; but it must be distinctly understood that the person paying for the private bag is responsible for the postage of all unpaid letters, and for the receipts for all those which may be registered. In case of non-payment of postage, or detention of registered letter receipts, the Postmaster shall decline to forward any more letters of either of these classes.

A contractor is bound to convey and deliver free of all charge, all bags given to him by the Postmasters, or under their instructions; but is not required to deviate in the slightest from the usual mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place the contractor must not wait for it.

the postage on delivery-the latter as if wholly unpaid.

Seeds in transparent bags or papers, tied so as to be easily loosened and refastened, not exceeding sixteen ounces in weight, Divisional Board notices of valuation, and of rates and receipts for rates, open at end or sides, and cont nts stated thereon.

Regulations.—No packet shall exceed two feet in length, and one foot in width and depth; nor three pounds in weight. There shall be no letter either closed or open, nor any enclosure, sealed or otherwise closed against inspection, sent in or with any such packet, nor shall there be any letter or any communication in the nature of a letter written, or printed on the cover or envelope of any such packet. The name and address of the sender may appear on the cover as well as those of the party addressed, but this is not indispensable. Should a packet be posted unpaid,

or, excepting those addressed to the United Kingdom, insufficiently prepaid, or be enclosed in a cover not open at the ends or sides, and contents not legibly endorsed, or should it exceed the dimensions or weight specified, such packet will be sent to the Dead Letter Office, and returned to the sender. This rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material, sent ostensibly as a pattern, be so great that it could fairly be considered as having on this ground an intrinsic value. In most cases a small piece of an article is all that is required to be transmitted. The complete article having a value of its own, would not, in such cases, come under the class of patterns or samples only. For instance, a child's dress, a stocking, a shoe or boot, etc., cannot be classed as samples. Patterns must not bear any writing other than the address of the persons for whom they are intended, the name and address of the sender, a manufacturer's or trade mark, numbers, and the price of articles. Samples of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose. article likely to injure the contents of the mail bags, or the person of any officer of the Post Office, will be forwarded as a pattern. When packets are found posted contrary to the regulations, whether received from abroad or posted within the colony, they will be surcharged for collection on delivery with the deficient postage as letters, together with an equal amount as a fine. N.B.-In cases where, from the arrival of Packet Ships from England, or from any other cause, the number of such packets is unusually large, the Postmaster, in order to prevent interruption to the punctual despatch of the ordinary Mails, is authorised to delay the transmission of any such packets for three successive posts.

POST CARD REGULATIONS.

Post cards are designed to facilitate letter correspondence and provide for the transmission through the post office of short communications, either printed or written in pencil or ink. They may, therefore, be used for orders for goods, invitations, notices, receipts, acknowledgments, price-lists, and other requirements of business or social life, and the matter required to be conveyed may be either in writing or in print, or in both.

Post Cards are of two kinds, namely:—The single post card, with a penny stamp thereon, and containing space—On one side for the address only of the recipient; on the other side for the communication and the signature of the sender,

The double (or reply) post card, with two penny stamps thereon.

The postmaster will treat the post card as a sealed letter, and not as a packet, with the following exception, namely :- In no case will an unclaimed post card be returned to the writer, but will be sent to the Dead Letter Office, thirty days

after receipt, there to be destroyed. At the request of a person named in the address upon it, a post card may be re-addressed by the postmaster in the same manner as a letter, on payment of one penny additional postage.

The stamp impressed on a post card is the fee chargeable thereon for its trans-

mission within the colony.

Post cards are issued exclusively by the Department, and may be obtained at any post office at their face value. Cards which contain any written or printed matter of the nature of personal correspondence other than the address, if issued by private persons, cannot be passed through the post office at less than letter postage, as they will not be considered "Post Cards" within the meaning of the law.

No written or printed matter will be allowed on the side of a post card used for the address, except the address itself, and nothing should be pasted, gumined, or attached to the card. When this rule is disregarded the post card will not be

forwarded except at letter rate, with a second rate as a fine.

A request (written thereon) to return a post card, which does not bear space

and stamp for reply will be disregarded.

A post card must be stamped by postmasters on the side intended for the address.

POSTAL NOTE REGULATIONS.

Classes and Value — Postal notes are of four classes, namely:—1. The shilling note printed with green ink, and bearing a half-penny fee stamp. (This note is backed by a Telegraph form which when filled up with a message of ten words, will be received at any Telegraph Office, and transmitted to any station within the colony as a paid telegram.) 2. The half-crown note, printed with red ink, and bearing a penny fee stamp. 3. The five-shilling note, printed with blue ink, and bearing a two-penny fee stamp. 4. The ten-shilling note, printed with lilac ink, and bearing a three-penny fee stamp.

distinctive number, and signed by the issuing officer.

the next clause of these regulations, is payable to the bearer on demand.

Crossed Notes.—When additional security is desired for remittance purposes, the lawful owner of a postal note may write or stamp across its face, between two transverse lines, the name of any bank, firm, or person to whom he desires payment to be made. A postal note so crossed to a bank or firm, will not be payable by the Postmaster-General (or transferable) until it has been endorsed or stamped by some person duly authorised by such bank or firm; or, when crossed to any person, until it has been endorsed by such person.

Supply of Notes to Private Persons.—The Issuing Officer will supply, post free, in quantities not less than £5 worth at one time, postal notes to any person remitting cash in payment for the same, less a discount of two-pence in the pound.

Receivable as Cash.—Postal notes will be received at any post or telegraph office as cash, at their face value, less amount of fee stamp, in payment of money

due to, or for services performed by the department.

Notes may be given in Change.—Any officer of the Post and Telegraph Departments may, for the purpose of giving change only, pay out, at its face value, exclusive of amount of fee stamp, a postal note which has been previously sold and the stamp thereon obliterated.

Paying Offices.—Every postal note will be payable to bearer, or to its lawful endorser, if crossed, on presentation, within the usual banking hours, at The General Post Office, Brisbane, and the post offices in each of the principal towns in the

Colony.

The postmaster may refuse payment of a postal note—If, having been crossed, it is not endorsed, and is presented by any person not authorised to endorse the same, or not being the person in whose favor it was crossed.
