1. The bag must be of leather, and provided at the cost of the person requiring it.
2. The Postmaster will close and seal it securely before dispatching it ; and it must be returned in like manner, sealed with some seal the impression of which is known by the Postmaster.
3. The bag may contain letters for all persons who give *written authorities* to the Postmaster to enclose them ; but it must be distinctly understood that the person paying for the private bag is responsible for the postage of all unpaid letters, and for the receipts for all those which may be registered. In case of non-payment of postage, or detention of registered letter receipts, the Postmaster shall decline to forward any more letters of either of these classes.

A contractor is bound to convey and deliver free of all charge, all bags given to him by the Postmasters, or under their instructions ; but is not required to deviate in the slightest from the usual mail route, and is on no account to be delayed. Should the return bag not be ready at the appointed time and place, the contractor must not wait for it.

#### GENERAL RULES TO BE OBSERVED.

All Letters, Packets, and Newspapers posted in Queensland that are required to be prepaid, must bear Queensland Stamps.

Inland Letters inadvertently posted, either unstamped or insufficiently stamped, will be forwarded to their destination ; but, before delivery, double the amount of deficient postage must be paid.

Insufficiently prepaid or wholly unpaid letters posted for transmission to Australian Colonies, New Zealand, or the United Kingdom, will be forwarded, but charged with the deficiency and a single rate as a fine.

Any insufficiently prepaid letter posted for transmission to the United States of America, will, if bearing at least a single rate of postage, be forwarded and charged with the postage deficient, and a single rate of postage as a fine ; any letter not bearing a single rate of postage will be opened and returned to the sender.

Unpaid and insufficiently pre-paid letters posted for transmission to British Colonies (excepting the Australian Colonies and New Zealand), and to Foreign Countries (unless in special cases), through the United Kingdom will be forwarded, and charged with the postage on delivery—the latter as if wholly unpaid.

*Letters and Packets Containing Gold or Silver, Jewels, &c*—No letter or packet, whether registered or unregistered, containing either gold or silver, money, jewels, or precious articles, or any other article whatever, liable to Customs duties, is allowed to be conveyed by post to any of the countries comprised within the Postal Union. Any Letters or Packets containing such enclosures and addressed to the countries comprised in the *General Postal Union*—namely: Austro-Hungary, Belgium, Denmark, Egypt, France, French Colonies, Germany, Greece, Italy, Luxemburg, the Netherlands, Norway, Portugal (including the Azores and Madeira), Roumania, Russia, Servia, Spain, Sweden, Switzerland, Turkey, the United States and British India—will not be received at any Post Office.

*Letters, Packets, and Newspapers, on being Re-directed*, are charged the same amount of postage, in addition to the original postage, as would be payable if such letter, packet, or newspaper were originally posted at the place of re-direction (excepting soldiers' and sailors' letters).

A Postmaster may refuse to receive or transmit by post any letter, packet, or packet of newspapers exceeding sixteen ounces in weight, or of inconvenient form or dimensions, or containing, or reasonably suspected to contain, any article likely to injure the other contents of the mail bags or any person.

(Registered parcels containing notes to be completely enclosed in a strong cover, and the contents marked legibly on cover, signed by an officer of the bank). 2. Packets containing process of, or proceedings or pleadings in any court, briefs, cases, and instructions for counsel, and their opinions thereon respectively, deeds, affidavits, policies of assurance, letters of attorney, depositions, or recognizances. 3. Patterns or samples of merchandise not having a value of their own, apart from their mere use as patterns or samples, and either unenclosed or enclosed in transparent bags, or in bags tied round the neck so as to be easily loosened and

refastened. 4. Prices current and catalogues. 5. Acts of the Queensland or Imperial Parliament, or printed Votes and Proceedings of either House thereof respectively, or vouchers, or returns, or copies of returns, made by, or to any officer in the public service. 6. Medical diplomas, certificates (partly written and partly printed) writing paper, envelopes, scrip, pamphlets, maps, plans, specifications, music, photographs (on paper), magazines, reviews, placards, almanacs, prospectuses, paintings, engravings, printers' proofs, or periodical publications, other than newspapers. 7. Printed or plain books. 8. Printed circulars and circulars produced by the Papyrograph, Velocigraph, Multigraph, or any other process by which a number of *fac-simile* copies can be made, may be sent by post as town, country, or foreign packets, within the meaning of *The Postage Act of 1871*; provided they are open at the ends or sides, or in covers open at the ends or sides, and the contents legibly endorsed thereon. 9. Seeds in transparent bags or papers, tied so as to be easily loosened and refastened, not exceeding sixteen ounces in weight. 10. Divisional Board notices of valuation, and of rates and receipts for rates, open at end or sides, and contents stated thereon.

*Regulations.*—No packet shall exceed two feet in length, and one foot in width and depth; nor three pounds in weight. There shall be no letter either closed or open, nor any enclosure, sealed or otherwise closed against inspection, sent in or with any such packet, nor shall there be any letter or any communication in the nature of a letter written, or printed on the cover or envelope of any such packet. The name and address of the sender may appear on the cover as well as those of the party addressed, but this is not indispensable. Should a packet be posted unpaid, or, excepting those addressed to the United Kingdom, insufficiently prepaid, or be enclosed in a cover not open at the ends or sides, and contents not legibly endorsed, or should it exceed the dimensions or weight specified, such packet will be sent to the Dead Letter Office, and returned to the sender. Packets addressed to the United Kingdom, insufficiently prepaid, will be forwarded, but on delivery will be charged with an additional postage equal to the deficiency, and a further rate as a fine. Should any letter, whether sealed or open, or otherwise closed against inspection, be found in a packet, such letter or other enclosure will be forwarded, charged not only with the postage due upon it as an unpaid letter, but also with an additional single packet rate. The packet itself in such case, will be forwarded, provided the postage shall have been duly paid, without any extra charge. Patterns must be of no intrinsic value. This rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material, sent ostensibly as a pattern, be so great that it could fairly be considered as having on this ground an intrinsic value. In most cases a small piece of an article is all that is required to be transmitted. The complete article having a value of its own, would not, in such cases, come under the class of patterns or samples only. For instance, a child's dress, a stocking, a shoe or boot, etc., cannot be classed as samples. Patterns must not bear any writing other than the address of the persons for whom they are intended, the name and address of the sender, a manufacturer's or trade mark, numbers, and the price of articles. Samples of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material; but closed bags, although transparent, must not be used for this purpose. No article likely to injure the contents of the mail bags, or the person of any officer of the Post Office, will be forwarded as a pattern. Metals, nails, watch machinery, cutlery and other articles of intrinsic value, cannot be forwarded to or through France. When packets are found posted contrary to the regulations, whether received from abroad or posted within the colony, they will be surcharged for collection on delivery with the deficient postage as letters, together with an equal amount as a fine. N.B.—In cases where, from the arrival of Packet Ships from England, or from any other cause, the number of such packets is unusually large, the Postmaster, in order to prevent interruption to the punctual despatch of the ordinary Mails, is authorised to delay the transmission of any such packets for three successive posts.

**NEWSPAPERS.**

The postage on newspapers must be paid by affixing on the newspapers, stamps of sufficient value, and no newspaper chargeable with postage will be forwarded unless fully prepaid.

Every printed copy of a paper containing any public news or occurrences, or any remarks or observations thereon, or upon any political matter, or containing only or principally advertisements or trade reports, and printed for sale, or for gratuitous distribution, may be sent by post as a newspaper if it shall be periodically published in parts or numbers at intervals not exceeding one month, and every such part or number shall be deemed to be a separate newspaper, provided it shall not exceed 4 ounces in weight.

*Regulations.*—Every newspaper shall be sent without a cover or in a cover open at both ends, and there shall not be in or upon any such newspaper or the cover thereof, any communication, character, figure, letter, or number (other than the words "newspaper only," the printed titles of such newspapers, the printed names, occupations, and places of business of the printer, publisher, or vendor thereof, the name, occupation, and address of the person to whom it is sent), nor shall anything be enclosed in, or with, or accompany such newspaper or cover, otherwise such newspaper shall not be transmitted or delivered. Newspapers received from beyond the colony *stitched in monthly parts or otherwise*, are (when re-posted) subject to the charge of One Penny for every number contained therein.

*Rates.*—Newspapers published in Queensland are transmitted within the Colony, or to any of the Australian Colonies, Free, if posted within Seven Days of publication, if posted after that time the rate is one penny each. United Kingdom, Torres Strait direct route, one penny, irrespective of weight; *via* Torres Strait and Brindisi, Orient Line, French Packet; *via* Melbourne or *via* California (weight not exceeding four ounces), one penny each.

## POST CARD REGULATIONS.

Post cards are designed to facilitate letter correspondence and provide for the transmission through the post office of short communications, either printed or written in pencil or ink. They may, therefore, be used for orders for goods, invitations, notices, receipts, acknowledgments, price-lists, and other requirements of business or social life, and the matter required to be conveyed may be either in writing or in print, or in both.

The single post card has a penny stamp thereon, and contains space—On one side for the address only of the recipient; on the other side for the communication and the signature of the sender.

The postmaster will treat the post card as a sealed letter, and not as a packet, with the following exception, namely:—In no case will an unclaimed post card be returned to the writer, but will be sent to the Dead Letter Office, thirty days after receipt, there to be destroyed. At the request of a person named in the address upon it, a post card may be re-addressed by the postmaster in the same manner as a letter, on payment of one penny additional postage.

The stamp impressed on a post card is the fee chargeable thereon for its transmission within the colony.

Post cards are issued exclusively by the Department, and may be obtained at any post office at their face value. Cards which contain any written or printed matter of the nature of personal correspondence other than the address, if issued by private persons, cannot be passed through the post office at less than letter postage, as they will not be considered "Post Cards" within the meaning of the law.

No written or printed matter will be allowed on the side of a post card used for the address, except the address itself, and nothing should be pasted, gummed, or attached to the card. When this rule is disregarded the post card will not be forwarded except at letter rate, with a second rate as a fine.

A request (written thereon) to return a post card, which does not bear space and stamp for reply will be disregarded.

A post card must be stamped by postmasters on the side intended for the address.

## POSTAL NOTE REGULATIONS.

*Classes and Value*—Postal notes are of four classes, namely:—1. The shilling note printed with green ink, and bearing a half-penny fee stamp. (This note is backed by a Telegraph form which, when filled up with a message of ten words, will be received at any Telegraph Office, and transmitted to any station within the colony as a paid telegram.) 2. The half-crown note, printed with red ink, and bearing a penny fee stamp. 3. The five-shilling note, printed with blue ink, and bearing a two-penny fee stamp. 4. The ten-shilling note, printed with lilac ink, and bearing a three-penny fee stamp.

*How Numbered and Signed*.—Every postal note so issued is numbered with a distinctive number, and signed by the issuing officer.

*Payable to Bearer.*—Every postal note, except when crossed as provided in the next clause of these regulations, is payable to the bearer on demand.

*Crossed Notes.*—When additional security is desired for remittance purposes, the lawful owner of a postal note may write or stamp across its face, between two transverse lines, the name of any bank, firm, or person to whom he desires payment to be made. A postal note so crossed to a bank or firm, will not be payable by the Postmaster-General (or transferable) until it has been endorsed or stamped by some person duly authorised by such bank or firm; or, when crossed to any person, until it has been endorsed by such person.

*Supply of Notes to Private Persons.*—The Issuing Officer will supply, post free, in quantities not less than £5 worth at one time, postal notes to any person remitting cash in payment for the same, less a discount of two-pence in the pound.

*Receivable as Cash.*—Postal notes will be received at any post or telegraph office as cash, at their face value, less amount of fee stamp, in payment of money due to, or for services performed by the department.

*Notes may be given in Change.*—Any officer of the Post and Telegraph Departments may, for the purpose of giving change only, pay out, at its face value, exclusive of amount of fee stamp, a postal note which has been previously sold and the stamp thereon obliterated.

*Paying Offices.*—Every postal note will be payable to bearer, or to its lawful endorser, if crossed, on presentation, within the usual banking hours, at The General Post Office, Brisbane, and the post offices in each of the principal towns in the Colony.

The postmaster may refuse payment of a postal note—If, having been crossed, it is not endorsed, and is presented by any person not authorised to endorse the same, or not being the person in whose favor it was crossed. If the paying officer has reason to believe the endorsement to be a forgery, or made by an unauthorised person. If the note is soiled or mutilated that any signature thereon has become undecipherable.
